

Certificate of Compliance

Application of Council Directive Low Voltage Directives 2006/95/EC
& Electromagnetic Compatibility 2004/108/EC

Certificate No. 20091087

This is to certify that the Quality Systems for the following Product group -

HOUR METER, LCD HOUR METER & TIME SWITCH

Comply with the applicable requirements of the Low Voltage Directives' & EMC Directive.

The Quality System of the above Products has been assessed according to the procedure of conformity assessment as per the Low Voltage Directives & EMC Directive and approval issued on this date.

This certificate is issued under the self-certification provision of the Low Voltage Directives 2006/95/EC & EMC 2004/108/EC by Activa Certifications Pvt. Ltd. The latter's liabilities are limited to conducting the audit based on the Declaration & Test Reports submitted by the manufacturer and issuing approval as per Low Voltage Directives 2006/95/EC & EMC 2004/108/EC. Accordingly this certification is being issued as an non-accredited audit certificate for compliance with the Low Voltage Directives 2006/95/EC & EMC 2004/108/EC
